## CHURCH WORK DAY

## SUMMER SUNDAY SCHOOL

*Sundays in July and August | 9:00 am*

---

This weeks concludes our mountaintop series with our hike up the Mt. of Ascension. From here we learn that God has equipped us with everything we need to carry out his command to "Go and Tell!" He has given us his Word, pours out his Spirit on us and comforts us with his promise to always be with us. We are able to fulfill "The Great Commission" as individuals by sharing the message of saving grace with everyone we meet, as a congregation by reaching out to our community and as a synod by supporting mission work with our prayers and offerings.

There is an African proverb that says, "If you want to go quickly, go alone. If you want to go far, go together." We can certainly see how this is true with mission work here in Birmingham and in Malawi. God can accomplish that which he wants regardless of numbers, however, he created us with an emotional need to be connected to one another. How spiritually uplifting and encouraging it is when all of us are working together and using our individual talents to glorify him! "Let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another - and all the more as you see the Day approaching." Hebrews 10:24-25

In July and August, we are continuing with bible lessons that focus on people who have heard the message and enthusiastically shared it with others. May God give us that same zeal to share the good news of Jesus and be a shining light in a sin-darkened world!
