DEFINING CHRISTIANITY

Sunday, August 25th | 10:15 am

What exactly is a Christian? Why does it matter? We are in a sermon series called "Defining Christianity" that looks at what the Christian believes. As a basic framework, the series reflects one of the confessions of faith we use often, the Nicene Creed. Join us, and bring a friend or neighbor (or both!) as we grow in our faith and our understanding of what exactly we believe as Christians! There are invitations on the table in the entry area that you can use to invite someone to church!

Upcoming Worship and Sermon Themes:

September 1st: We Believe in a Faith Worth Confessing

PALS

Sunday, August 25th | 12:00 pm

Our 55+ group has a new name, PALS (this stands for the play and labor squad). After worship today, they are planning on having a brunch together than touring the Civil Rights Museum. If you are interested, just stick around!

ANGELS AND DEMONS

Sundays in August and September @ 9 AM

Since shortly after creation, a classic battle of good versus evil has been fought. It is conflict in which Jesus came in humility but left with victory in glory. Part of that battle from the beginning has included angels—both good and evil. Join us Sunday mornings at 9:00 am as we study God's Word to gain a better knowledge and understanding of angels and demons, the occult, spiritism, demon possession, and Satanism, and see some of the games people play with the devil.

Class topics:

- 8/25: A Look at the Occult
- 9/1: Witchcraft and other forms of Spiritism
- 9/8: Demon Possession
- 9/15: Satanism
- 9/22: Jesus' Victory over the Devil
